Annual Winter Contest
“Together we can”

In the true spirit of the University, this year's winter contest will be about how we assist each other in getting through the winter! While on a University campus, you may get assistance from a colleague in cleaning off your car, a push when you are stuck, an arm to hold on to in slippery condition, whatever it may be, send your nomination to dschied@facilities.rochester.edu with "Winter Contest Nomination" in the address line. In fact, if you are someone’s secret shoveler or ice scraper, you can nominate yourself!

Entries will be reviewed by individuals from EH&S and UF&S with the top entries put in a hat. The 5 names pulled, along with the individual nominating, will each receive the lapel pin above and a choice from some special prizes.

Be sure to include the your name, the nominees name, an email for each to contact in the event of a winner, and the date(s), location, time and description of the help received or delivered between January 15th and March 15th, 2015.

Remember, ‘together we can’ help each other be safer this winter season and don’t forget to ‘Walk Like a Penguin!’

Meliora!
