The Contract Documents proposed for the Work consist of the Owner-Contractor Agreement, the University of Rochester Standard General Conditions of the Contract for Construction as well as any Supplementary and other conditions (the “General Conditions”), the Drawings, the Specifications and all Addenda issued prior to and all Modifications issued after execution of the Contract.

1.1.2 All definitions set forth in the General conditions of the Contract for Construction, or in other Contract Documents, are applicable to the Bidding Documents.

1.1.3 Addenda are pre or post bid written or graphic instruments issued by the Consultant, whether pre or post bid prior to the execution of the Contract which modify or interpret the Bidding Documents by additions, deletions, clarifications or corrections.

1.1.4 A bid is a complete and properly signed proposal to do the Work or designated portion thereof for the sums stipulated therein, submitted in accordance with the Bidding Documents.

1.1.5 The Base Bid is the sum stated in the Bid for which the Bidder offers to perform the Work described in the Bidding Documents as the base, to which work may be added or from which work may be deleted for sums stated in Alternate Bids.

1.1.6 An Alternate Bid (or Alternate) is an amount stated in the bid to be added to or deducted from the amount of the Base Bid if the corresponding change in the Work, as described in the Bidding Documents, is accepted.

1.1.7 A Unit Price is an amount stated in the Bid as a price per unit of measurement for materials or services as described in the Bidding Documents or in the proposed Contract Documents.

1.1.8 A Bidder is a person or entity who submits a Bid.

2.1.1 He has read and understands the Bidding Documents and his Bid is made in accordance therewith.
2.1.2 He has visited the site, has familiarized himself with the local conditions under which the Work is to be performed and has correlated his observations with the requirements of the proposed Contract Documents.

ARTICLE 3

BIDDING DOCUMENTS

3.1 COPIES

3.1.1 Bidders may obtain complete sets of the Bidding Documents from the issuing office designated in the Invitation to Bid in the number and for the deposit amount, if any, stated therein. The deposit will be refunded to Bidders who submit a bona fide Bid and return the Bidding documents in good condition to the Consultant not later than fifteen days after opening of Bids. Any prospective Bidder who does not submit a Bid will receive one-half of his deposit (one check) upon return of the Drawings and Project Manuals to the Consultant. All other persons receiving any or all of the Bidding Documents, including Subcontractors and Material Suppliers, will receive one-half of their deposit upon return of the Drawings and Project Manuals to the Consultant. All Bidding Documents received (except for Documents held by Successful Bidders) must be returned to the Consultant. The cost of replacement of any missing or damaged documents will be deducted from the deposit. A Bidder receiving a Contract award may retain the Bidding documents and his deposit will be refunded.

3.1.2 Bidding documents will not be issued directly to Sub-bidders or others unless specifically offered in the Invitation to Bid.

3.1.3 Bidders shall use complete sets of Bidding Documents in preparing Bids; neither the Owner nor the Consultant assume any responsibility for errors or misinterpretations resulting from the use of incomplete sets of Bidding Documents.

3.1.4 The Owner or the Consultant in making copies of the Bidding Documents available on the above terms do so only for the purpose of obtaining Bids on the Work and do not confer a license or grant for any other use.

3.2 INTERPRETATION OR CORRECTION OF BIDDING DOCUMENTS

3.2.3 Any interpretation, correction or change of the Bidding Documents will be made by Addendum. Interpretations, corrections or changes of the Bidding Documents made in any other manner will not be binding, and Bidders shall not rely upon such interpretations, corrections and changes.

3.2.4 In the absence of an interpretation by the Consultant, should the Drawings disagree in themselves or with the Specifications, the better quality or the greater quantity of work or materials shall be estimated upon, and unless otherwise ordered, shall be furnished.
Communications regarding any questions shall be directed to the Consultant or his designated representative(s).
