

SPECIAL CONDITIONS REQUIREMENT FOR LOCAL LABOR

The University of Rochester Local Labor Utilization Requirements:

Ninety-five percent of aggregate onsite labor hours of the employees of the general contractor, subcontractor or subs to the subcontractors working on the project must reside within the following counties in the State of New York: Monroe, Genesee, Livingston, Ontario, Orleans, Seneca, Wayne, Wyoming or Yates. The Local Labor criterion will be verified based on employment and related records and will be required to submit certified data demonstrating actual compliance with the local employee criteria with each application for payment. The CM or GC will be asked to submit “Exhibit MCIDC10-11-11(r1)” on a monthly basis along with monthly payment applications.
