

SPECIAL CONDITIONS REQUIREMENT FOR MEDASSETS BIDDING

The University of Rochester Guidelines on MedAssets:

Strong Health – University of Rochester has established a goal to obtain competitive pricing on all projects. As one way to achieve this goal, Strong Health – University of Rochester has elected to be a participant of the MedAssets Capital and Construction program. All Contractors are suggested to obtain competitive bids from local vendors including MedAssets members. Each MedAssets vendor and supplier is responsible to ensure that participants receive the discounted MedAssets project price plus additional discounts or incentives needed to be competitive with local markets. Contact Timothy Mazzei-Williams for more information and an updated vendor list.
